

ICC YAAF: The Long and Winding Road to Arbitration? Multi-tiered Dispute Clauses

Madrid | 12 February 2026 | [Register now](#) (Limited Availability)

Join us for an ICC YAAF event exploring the complexities of multi-tiered dispute resolution clauses in international arbitration. Discover how mediation prerequisites and negotiation requirements shape the path to arbitration, and gain valuable insights into drafting effective clauses. Hosted by Cuatrecasas in Madrid on the eve of the 3rd Workshop of the ICC Advanced Arbitration Academy, this event brings together leading voices in international arbitration and offers an excellent opportunity to connect with peers and expand your professional network in the arbitration community.
